

NOMINATIONS FOR CLUB MANAGEMENT 2019 & AGM BUSINESS

FAO: ALL LSC MEMBERS

The LSC AGM will be held no later than November 30th and it is that time again when nominations are invited for next year's management and committees to be elected at that AGM. The official notice and forms are displayed in clubhouse on the notice boards in downstairs lounge until 1st October when the lists will be closed. Rule 12 of our rule book states that any member nominated must be a full member but if you wish to nominate someone who isn't a full member please get in touch with me.

Also, if you would like to be nominated, full member or not, to any role or are considering helping out in any way, again please get in touch with me or any of the General Committee. Most of the roles do not require a major time commitment but a chat with one of us should be able to clarify what is involved or where your skills could benefit the club.

Any items of business you wish to have considered for inclusion in the AGM agenda must be lodged with the Secretary before 1st October 2018. Please feel free to discuss this with a General Committee member first if you wish.
